Other promising preschools

With the Union and state governments having completely left ECE (early childhood education) out of its national development agenda for over six decades, awareness of ECE is restricted to the metro and quasi-metro cities of Delhi, Mumbai, Kolkata, Chennai, Bangalore and Hyderabad where a substantial number of contemporary preschools have mushroomed in response to public demand. That's why for the past three years the EducationWorld India Preschool Rankings (formerly India's Most Admired Preschools Rankings) surveys have been restricted to these urban habitats. However latterly, well-equipped, promising new preschools are springing up in these six cities and beyond. Preschools to watch out for are listed below.

- **Edify Kids, Salt Lake, Kolkata**
- **KLAY, Gurgaon**
- **XSEED Preschool, Sohna Road, Gurgaon (Haryana)**
- **Peek-A-Boo, Kandivali (East), Mumbai**
- **Leapbridge International, Anand Park, Pune**
- **EuroKids, Pashan, Pune**
- **EuroKids, Saravanampatti, Coimbatore**
- **Kinderpillar Ivy League, Chandigarh**
- **Firststep Montessori School, Chandigarh**
