

Parameters of Excellence: India's Top 10 Day Schools

TO COMPILE THE EW-C FORE 2012 LEAGUE TABLES OF nationally ranked schools, 443 well-known day schools (shortlisted by *EducationWorld*) countrywide were assessed by a carefully constituted respondents base comprising parents, principals, teachers and educationists across 14 parameters or attributes. On the reasoning that there is more to education than academic or scholastic excellence (on which conventional league tables published abroad are based), 3,070 respondents across the country were asked to rate schools on academic reputation, co-curricular education, sports education, faculty competence, individual attention to students, value for money, leadership/management quality, parental involvement, infrastructure provision, internationalism, teacher welfare and development, life skills education and conflict management, special needs education and community service.

The ratings awarded under each of these 14 parameters were aggregated to rank India's most respected schools. Tables of day schools ranked among the Top 10 under each parameter are set out below.

NB: NR=Not Top 10 ranked

Rank			Academic reputation	Rating (100)
